Site Plan Not to Scale. Site plan is intended for illustrative purposes only and should be treated as general guidance only. It should not be relied upon as representation express or implied, of the final size, location or dimensions of any lot. The layout including parking and public open spaces may change without notice. Site plan and landscaping are artist concepts and not intended to form part of any contract or warranty. The developer expressly reserves the right to make any modifications, revisions, and changes it deems desirable by law or governmental bodies. E.&O.E.
